MAGUIRE AGENCY AMONG BEST 100 COMPANIES TO WORK FOR IN MINNESOTA

ROSEVILLE, Minn., June 29, 2012 – [Maguire Agency](#), an independent insurance agency offering property/casualty, employee benefits, and personal insurance lines, announced today that it was named one of the Best 100 Companies to Work For in Minnesota by [Minnesota Business Magazine](#). The competition recognizes companies that set the standard for leadership, benefits, work environment, training and employee happiness.

“Our employees make Maguire a great place to work. It happens organically when you have a mix of people who share the same values, and commitment to customers and the community, and support one another professionally,” said Matt Clysdale, CPCU, CIC, president of Maguire. “We work hard, yet have a lot of fun at the same time. And our clients sense this every day. The work environment positively influences our interactions with and service to clients.”

Minnesota Business Magazine’s Best 100 Companies to Work For were chosen based on employee satisfaction surveys conducted by an independent research company in the spring of 2012. The 100 honorees were spread among small-, mid- and large-sized businesses and nonprofit organizations based in Minnesota.

The 2011 Employer of the Year for the Insurance Professionals of Greater Minneapolis (IPGM) and the St. Paul Association of Insurance Professionals (SPAIP), Maguire Agency offers property/casualty insurance, employee benefits, and personal insurance lines from a wide range of highly rated, financially stable insurance companies.
