## **FRAZIER JOINS MAGUIRE AGENCY AS A COMMERCIAL LINES PRODUCER SPECIALIZING IN TECHNOLOGY INDUSTRY**

ROSEVILLE, Minn., May 1, 2012 – Maguire Agency, an independent insurance agency offering property/casualty, employee benefits, and personal insurance lines, has hired Genevieve Frazier as a producer for its commercial insurance lines. Frazier will service the risk management needs of new and existing clients in the technology industry.

“I am excited to serve technology companies and work with a variety of carriers to meet clients’ needs,” Frazier said. “There are so many complexities and nuances from one technology company to the next that it will really be helpful to focus my attention on and specialize in the industry. And I know that I have the support of the entire Maguire staff to help me provide the best service possible for my clients. That’s one of the reasons I chose Maguire – the culture of support and teamwork is phenomenal.”

Prior to joining Maguire in April 2012, Frazier worked for Federated Insurance in Davenport, Iowa, for 6-1/2 years. She has a bachelor’s degree from Minnesota State University of Mankato.

An agency of the year as chosen by the Minnesota Independent Insurance Agents Association, Maguire Agency offers property/casualty insurance, employee benefits, and personal insurance lines from a wide range of highly rated, financially stable insurance companies.
